GRAPHIC DESIGN SCHOOL, FREIBURG IM BREISGAU, GERMANY

Professional Training in Graphic Design

UNIVERSITY OF ART AND DESIGN, LUCERNE, SWITZERLAND

Foundation Course in Art & Design

PROFILE

Graphic designer with a background in Swiss, German and Dutch design and advertising agencies, working across **brand identity, print, campaigns and presentations**. My current focus is **brand and packaging design**: building visual systems that keep whole product families clear and recognisable.

I work fluently in **German, English and Dutch** – useful for multilingual brands and international teams. Remote from Vietnam (UTC+7) with reliable, flexible working hours.

PROFESSIONAL EXPERIENCE

Freelance Brand & Packaging Designer — 2025 – Present

Remote

- **Soundgate Instruments** (client, 2025): brand identity with a hand-drawn emblem for a maker of handcrafted sound chairs, delivered fully remote.
- Packaging concept work for consumer products: a scalable packaging system for a supplement range and an illustrated packaging world for a coffee brand (see Selected Projects).
- Designed and built my own portfolio and web design offering with AI-assisted workflows.

Career break – family time and living abroad (Europe, Central America, Southeast Asia); occasional illustration and small design projects — 2015 – 2024

Freelance Graphic Designer — Münchrath · MRH GmbH — 2013 – 2015

Switzerland & Germany · Design agencies

- Developed brand systems and visual identities from concept through application.
- Designed communication materials, layouts and campaign visuals for agency clients.

English-language stay in Australia, then family time — 2010 – 2013

Graphic Designer — Valencia Kommunikation — 2009 – 2010

Basel, Switzerland · Advertising agency (employed, then freelance)

- Developed and implemented design concepts for client print and campaign projects.

Design Internships — Maestro · Colombo — 2007 – 2009

Amsterdam, Netherlands · Graphic design agencies

- Hands-on work in visual communication, layouts and design production.

SELECTED PROJECTS

AVEO – Supplement Packaging System · CONCEPT 2026
Scalable packaging architecture inspired by the periodic table: large codes replace excessive labelling and keep a wide product family instantly recognisable.

Nøra Mushroom Coffee · CONCEPT 2026
Playful, illustrated packaging world of eyes, mushrooms and moons for a mindful coffee brand.

Soundgate Instruments · CLIENT 2025
Hand-drawn emblem and brand identity built from the language of sound and stillness.
